CHAIRMAN'S MESSAGE

Hi one and all,

I hope those Members who attended our Annual Dinner Dance at the end of last month, had a great time. Helen and I certainly did, as we always do each year. It was nice to meet up with some old and new Members alike, especially some of you who attended for the first time. Once again the food and entertainment was excellent. I am sure you would all agree it was a successful evening and thanks go to Geoff and Mary for arranging the event.

As previously mentioned, the club will be arranging various trips and shows, plus other events this year. These will range from some new shows, trips out in our Jags to places of interest, as well as Sunday lunches. If any of you know where we could go out somewhere that includes a nice drive or other events, please let me know. We already have some ideas, so keep an eye on the diary page.

In this issue there are some important notices to you the Members. Please read as there have had to be some changes.

Look forward to catching up with you at the next meeting on Tuesday 3rd February.

Regards
Colin

MEMBER BUYS A NEW JAGUAR XF

I thought that you would be interested in my new Jaguar Premium XF which I took delivery of on the 18th December 2008. See photographs attached. This is the first time in 18 years that I have gone for a smaller car than the XJ range and the first time ever that I have chosen a diesel power train. I purchase my cars through Stratstone of Blackburn, who are part of Pendragon, as they always treat me 'like a VIP customer' and always take my Jaguars in part exchange (unlike Grange Motors' salesmen who never even attempt to talk to me let alone try to sell me cars!). Having said that the service team of Mick and Steve, headed by Ray Chandler are the most professional people that you could ever meet!! I drove my 4.2 litre petrol XJ8 Sovereign (which had been given a complete valet inside and out - although it didn't need it!) 250 miles to Blackburn, leaving at 4:50 am on the 18th December, arriving at the dealership at 8:30 am, having stopped at the local services after the long trip to wash the car with water that I took with me together with a bucket, sponge, car wash and a leather (well I couldn't hand it back dirty could I!). During this trip I averaged 21.5 miles to the gallon!! I then took delivery of my new Jaguar Premium Luxury XF 2.7 litre diesel and after a couple of hours rest drove home again averaging 36.5 miles to the gallon (now I know why I changed to a diesel). Having driven the vehicle for a couple of weeks now I am very impressed with the room in both the front and rear cabins and therefore I don't miss the extra space and as you can hardly hear the diesel engine

(except initially when starting from cold but even then it is quieter than I thought it would be). The power is certainly sufficient not to notice the difference between the 2.7 litre diesel engine and the 4.2 litre petrol engine and the advance in technology is amazing since I purchased my Sovereign from new 20 months ago.

IMPORTANT ANNOUNCEMENT

Dear Members

Unfortunately, due to ever rising costs incurred by the club. It has become increasingly difficult to provide the same quality of service to you the Members. Therefore it has been decided that an increase of £ 2.50 per year on annual memberships is required, which I hope you will agree, is a nominal rise. The last increase to the current £10, was back in 2001/02.

However, on the back of this decision, it was agreed to scrap the £1 subs, which Members pay on attending club night. This was to pay for the hire of our meeting room primarily.

The new rate per year of £12.50 comes into effect in March, at the start of our new financial year. The reminder letters sent will be adjusted accordingly.
