**ISSUE 40 JANUARY 2010**

Hi Guys,

Firstly, Helen and I would like to wish you all a Happy New Year. We hope 2010 is a good one for you.

The Club Dinner Dance is now fully booked and we are once again looking forward to a great evening. For those of you, who left it a little too late to book, there is always next year. Thanks go to Geoff and Mary for organizing this again.

Although the winter is upon us and those Jags are wrapped up until next season, the club is working hard to come up with events for 2010. Although we are not putting on a Jaguar Day this year, we will be attending some joint events. The car extravaganza, organised jointly by Heart FM and the Porsche club, which takes place in June at Hylands House, Chelmsford.

Also, we will once again be joining Kent-South Region, which is under new Management, at Hamstreet Country Fair. Also in August to a 'Grand Park 'n' Picnic Family Day' at Bodiam Castle in Kent - see "Forthcoming Events" inside.

I would also like to bring attention to the paragraphs below. The club needs content for the news letter and website, which can only come from you, the member.

If anyone has any articles, photos, useful information or any thing else they might deem useful to know, please contact Doug by emailing him at [dougwarren169@btinternet.com](mailto:dougwarren169@btinternet.com)

Also to help with the content of our website, can members email photos of their cars to [webmaster@jecessexthameside.co.uk](mailto:webmaster@jecessexthameside.co.uk). This not only enhances the web-site, but helps promote the club.

I look forward to catching up with you at the next meeting or at one of our forthcoming events.

*Cheers  
Colin*

## ESSEX POLICE EVALUATE THE JAGUAR XF 'S'

Here's a Big Cat on the prowl! This is Jaguar's first-ever XF police pursuit vehicle and it's currently being evaluated by forces across the country – so watch out.

Based on the latest XF Diesel S model, it features a 271bhp 3.0-litre twin-turbodiesel engine, along with a host of stripes, sirens and a light bar on the roof! According to Jaguar, [the XF's](#) combination of performance, fuel economy and low CO2 emissions, meant it was more attractive to the police than rivals like BMW's 5-Series and Mercedes' E-Class.

Geoff Cousins, Jaguar's UK managing director, said: "Police forces are looking for vehicles that represent value for money, have good environmental credentials and deliver the power and performance required of a pursuit vehicle. The officers driving pursuit vehicles demand a very high level of performance and handling, as well as safety and comfort. We hope that with this amount of torque on tap – and a 0-60mph time of 5.9 seconds, we will meet and exceed the exacting standards of any officer driving this car." Essex Police are unlikely to purchase these due to inadequate boot access!

## PERSONALISED PICTURE GIFT

Having purchased a picture from 'Classic Memories' a few years back, I can't remember whether I have told you all about this business. They produce sketch pictures of various modern and classic cars with your registration number included. They are produced in either black and white at £19.99 + £2.00 P & P or hand coloured sketches at £29.99 + £2.00 P & P. They add your car's registration on the index plate, in order to have a personalised sketch of your car. They can also add specific Jaguar alloys to the sketch on some models of Jaguars. I have circulated the website to members on the internet, but for those that haven't got the service or a computer, they can contact 'Paul' on 0161 928 7890.

## 12th ANNUAL LONDON TO BRIGHTON JAGUAR RUN SUNDAY 25th APRIL 2010

This year, the annual run is starting at Hall Place in Bexley, south-east London and stops off at Parham House in Amberley, West Sussex before arriving at Madeira Drive in Brighton. The cost is £72 per car (including driver and one passenger) and although that may seem a lot, it really is good fun and a lot of preparation goes into running this event including entry to Parham House. If you are not sure about participating, why not go to Brighton for the display at the end of the rally which is from 12:30pm onwards. That may give you an insight into the event. Call Kelsey Publishing on 01959 541444 for application.
