CHAIRMAN'S MESSAGE

Welcome To All Members,

Well the season's has started and a greater number of members ventured out on Sunday 17th April on the Jaguar World/JEC 13th annual London to Brighton run. More details inside.

This coming month we have the Classic Car Show at Battlesbridge and a trip to Brooklands which includes breakfast (for the early risers amongst us!) and the museum. Further details inside this newsletter.

Our trip to Hamstreet Country Show on the 5th June in collaboration with Kent South region, has 12 members wishing to attend. Provided the weather is good to us, I am confident that we will enjoy the day out with our neighbours in Kent. There may be some spare tickets if you're interested, but it will be strictly, first come (and pay), first served.

We still have a number of members that appear not to participate in the events we plan and it concerns me that perhaps we are not organising events that you wish to join in with. If this is the case, unless we hear from you, we are having to guess what events you would like to have arranged. The answer is to make your voices known and we will see what we can arrange.

One other trip being planned is a trip to Chartwell - Winston Churchill's home - on Sunday 26th June. Please see inside newsletter for details.

Finally, as you may be aware, I am always plugging New Hall Wines in Purliegh, nr. Maldon and on the weekend of 14th/15th May they have their Spring Wine Sale. Jackie and I are going on 14th (15th is the Brooklands run) to collect our bottles from the vine row we leased last year. We have been told we have 258 bottles!!! Come along to the wine tasting on this weekend if you are interested. We will be visiting as a group again in September to their Wine Festival.

JEC/JAGUAR WORLD-13TH LONDON TO BRIGHTON RUN

Sunday 17th April saw the 13th London to Brighton run. The run started at Dulwich College in South London. Club members, Gareth Jones, Bill Ewin, Chris White, Tina Dowsett, Eric Hoile, Jason Dabbs & Colin Steele all participated in the run with their partners. Ken Morgan and a number of other members took my advice and came to Brighton for the day to watch the procession. We started out at 8:15am and headed for

Tenterden Railway Station. As car No: 1, Jackie & I were the first off the start. We were followed by a number of other

Jaguars. On route to Tenterden, we travelled through South London and the Kent countryside. That morning Jackie and I had discussed calling into B & Q to purchase an item. As it happened, as I approached some traffic lights in Kent, I saw a B & Q store on the left, so I turned in immediately. What a shock we got, when the following procession of Jaguars, also turned into B & Q!!!! It transpired, that they all thought I knew where I was going, so they were following me!!! Then Jackie told me I was too early as B & Q were not open yet!!! So the procession got back on the road again. We arrived at Tenterden and spent

time looking around the old station and steam trains. On leaving Tenterden, we travelled on to Brighton, arriving around 1pm. We were surprised to find that there were only about 20 cars there. However, by the end of the day there were almost 300!! The sun shone all day and it was really warm, considering we were on the South Coast. Another great day was had by all. *Editor*

Sunday 26th June 2011. A club visit to Chartwell in Kent.

Bought by Sir Winston Churchill for its magnificent views over the Weald of Kent, Chartwell was his home and the place from which he drew inspiration from 1924 until the end of his life. The rooms remain much as they were when he lived here, with pictures, books and personal mementoes evoking the career and wide-ranging interests of this great statesman. The hillside gardens reflect Churchill's love of the landscape and nature. They include the lakes he created, Lady Churchill's Rose Garden and the kitchen garden. Many of Churchill's paintings can be seen in the studio.

Don't miss

- Explore the Churchills' stunning family home.
- Enjoy wandering through the beautiful, tranquil garden.
- Discover Sir Winston's paintings in his fascinating studio.

Gift Aid Admission (Standard Admission prices in brackets) **House, garden and studio:** adult £11.80 (£10.60), child £5.90 (£5.30), family £29.50 (£26.50). **Garden and studio:** adult £5.90 (£5.30), child £2.95 (£2.65), family £14.75 (£13.25).

APRIL CLUB NIGHT

On Tuesday April 5th we had a visit from Gill Rome to demonstrate the Waterless Washing product - WOW. It was explained to us that this product is as a result of two men getting together, one being Gary Mabbatt MBE, former Tottenham Hotspurs and England football player, investing in time and money into producing a product that the motorist needs. They hired a chemist and came up with WOW:

THE FACTS!

WOW™ 'you don't need to use water, a hose, bucket, sponge or chamois leather!' □ □

WOW™ takes less than 15 minutes to clean and polish your car! □ □

WOW™ won't Scratch your Paintwork □ □

WOW™ will leave you with a professional finish □ □

WOW™ is much cheaper than using several cleaners to do different jobs □ □

WOW™ is Eco Friendly

WOW™ is Bio-Degradable □ □

WOW™ is British

WOW™ 'Use it once and you never want to use water again!'

If you want to try this product or need some more supplies contact Gill Rome at wow.nowater@gmail.com
