CHAIRMAN'S MESSAGE

Welcome to all members,

Firstly, I would like to thank all members who have been out recently in the pouring rain, supporting the club. All the effort that goes into organising events can be washed away, literally, due to wet weather. See reports inside this newsletter of our recent shows. On our July club night, I introduced a raffle for those that attend the meetings. I think it went down well, specifically as the three prizes were bottles of wine!! I have introduced this in an effort to raise additional funds for the club. In the past two years we haven't held our annual Jaguar show which generated a lot of revenue for the club (in excess of £1,000). The absence of this revenue will have a knock on effect unless we ensure that we can generate further funding to pay for the meeting hall, the newsletter and other items purchased for shows. I ask that all members that attend our club nights, contribute just £1 for a ticket with the chance of coming away with a small prize. I hope it adds to the fun of the evening.

I have arranged for Keith Cooper from Furniture Clinic - Canvey - to attend our August club night. This is the company that a number of members saw in action when they visited Castle Bromwich at the beginning of the year. Keith will give a demonstration and if members have a seat that they want to bring along to see what can be done, Keith is happy to show what can be done.

Although we are more than half way through this year, I would ask members to get their thinking caps on for ideas for next year's events and trips. I have had one or two suggestions and would like to hear from members who wish to support some of the events we have already attended this year.

Finally, please see the article regarding the Wine Festival at Purleigh, nr Maldon at the beginning of September. I need to know how many members wish to attend in order to get our space reserved.

MATCHING GREEN CLASSIC AND SPORTS CAR CLUB

On Sunday 2nd July, members attended the MGCSCC on the village green at Matching Green, Nr. Harlow. What a turn out! What weather! What a show! The cars were terrific as one can see from the pictures produced here. We had a handful of members that took pictures of the event and I am hoping we are able to download them all to our Jaguar club web site. The cars kept arriving all day and at one point they had to restrict vehicles coming onto the Green as it was full. I don't think I have ever been to this show with so many cars on display. Various displays took place including trampolinists, singers, car quizzes - Aston Martin Club against Jaguar Enthusiasts' Club, Jaguar WON - as well as a car display in the arena with commentary from the resident MC. The E-Type featured heavily in the day's proceedings as a result of the 50th year celebrations. A number of our members were featured in these displays. Five new members were signed up and we welcome them to our club and hope to see them at future events.

GOODWOOD FESTIVAL OF SPEED

I received a letter on Monday 4th July from Jaguar with free tickets to the "Moving Motor Show" at Goodwood on Thursday 7th July. The letter indicated that I had won a competition. The only issue was that at such short notice, I was unable to arrange time off in order to attend. I wrote an e-mail to Jaguar thanking them for the tickets but having to decline the event due to the lateness in receiving the tickets. Jaguar called me back the following day and apologised for the delay in getting the tickets out and asked whether I could make Saturday 2nd July? *Is the Pope Catholic?!!!* Of course I could and tickets to the Festival of Speed were sent out by special delivery the following day to ensure they arrived in plenty of time. The event was fantastic and was helped by the extremely bright and sunny day. Jackie and I woke (or rather were woken by the alarm) at 3:15am, washed dressed and out of the front door by 4am - now there's dedication!!! The roads to Goodwood at that time of the morning were deserted and we arrived just after 6am. The show began at 7am so we walked around to stretch our legs after the journey. We headed straight for the Jaguar display which was a large purpose built marquee as these picture will show. There was only one real Jaguar to see in the metal and sure enough it was there and here it is;

CRESSING TEMPLE VCM CAR & MOTORCYCLE SHOW

My thanks go to John Eusden, Neil Shanley, Eric Hoile and Ron Ansell for the splendid work they put in on Saturday 16th July - in between rain storms - setting the stand up for Sunday's show. My thanks also go to the various other members that volunteered their services for that day and for those that helped take the stand down after the show on Sunday. Without your help, we would not survive. On the day, 19 members and their cars from our club joined the JDC Area 33 & 57 for the show at Cressing. It was an excellent turnout with over 40 Jaguar cars in the main Jaguar area and 25 E-Types in their enclosure. Most of the morning the weather was fine but come the afternoon, various showers put a damper on the events. A possession of early 1900's vehicles was spoilt by heavy rain. One vehicle of interest amongst this contingent was a vehicle made by *Alldays & Onions of Birmingham!!* No really, that was the manufacturers name. There then followed a procession of E-Types to celebrate the 50th anniversary of the model. Again, the weather put a damper on it as the heavens opened up. I hope that those that did attend enjoyed their day out, I know I did. My apologies goes to those members owning E-Types as these were originally going to be placed opposite the main Jaguar field, where the military vehicles ended up. Don't understand why this was changed but when we set up on Saturday, that was where they were to be sited. We even put out the signs for them. However, we were in the hands of the organisers in this respect. The 1940's "Silver Bird" dancers were a big attraction in the Barley Barn. Who'd have thought of making a 'disco' out of the front of a WW2 plane cockpit!! Again we struck lucky and signed up a new member. Here are a few of the pictures taken by our resident photographer, Jim Clark:

CLASSIC CARS AT WARLEY

On Friday 22 July, there was an annual classic car gathering at Ford's at Warley where employees or their husband/wives/partners are able to show their classic cars at the front of the building from 7:30 to 15:00 on a pre-booked basis. There were upwards of 20 to 30 classic cars attend. There were also be a couple of 'souped up' cars to have a ride in at a small charge for charity along with Ford cars of the past on display. Peter Davey took his Jaguar Mk 2 and as you can see from the picture, he is showing it to Nigel Sharp Ford UK Managing Director.
