ISSUE NUMBER 60 | APRIL | 2012

CHAIRMAN'S MESSAGE

Hi All,

March club night was a huge success with over 50 members and partners attending. It was nice to have so many turn out for our club night. I hope that this can continue and that 'new members' enjoyed the evening and will attend again. Anyway, to encourage you to come along to the next meeting and meet some of the other regular members, we are running a car

photo competition supplied by member Eric Hoile. See details in this newsletter.

On Sunday 25th March, some members brought out their cars for the first event of the year visiting Whitewebbs Museum nr Enfield and had a Sunday lunch at The Plough, Cuffley. See report inside this newsletter. Later in the month of April, we have the annual London to Brighton run (Sunday 25th), organised by Jaguar World magazine and supported by the JEC. If you haven't participated or been on these runs before, now's the time to do so. It may be expensive at £79 (includes driver and one passenger), but it is good fun. You can always just make Brighton a day out and watch the cars arriving along Madeira Drive, walk along the promenade and talk to some of the owners. We start arriving around 12:30pm.

So there it is, that the round up for this month, hope to see a number of you then on Tuesday 10th April at Langdon Hills Golf Club.

EVENT

APRIL CLUB NIGHT COMPETITION

At our Tuesday 3rd April Club Night we are running a competition with the first prize of a Reversing Parking Sensor Kit kindly donated by club member Eric Hoile.

The four sensor kit comes with the sounder and sensors, along with the necessary drill to make the holes in your bumper. No

more nasty surprises from supermarket parking poles!!! The competition consists of 20 pictures of cars, all you need to do is to identify the make, model and year (+/- 2 years) of the car. To get you primed, here are two of the cars to be featured. Get 'surfing' to identify these motors.

The member with the most points wins the prize! If there happens to be a tie, then a further 4 pictures will be presented to the members to identify. The first member to get the most points will win. As a certain TV meerkat is renowned in saying, "*Simples!*" The club committee would like to thank Eric for his donation and competition. Let the fun begin!!!!!!

WHITEWEBBS MUSEUM & THE PLOUGH, CUFFLEY

On Sunday 25th March a group of 24 members and partners visited Whitewebbs Museum in Enfield. The day started at Grange Motors where tea and coffee were provided by the garage. After a brief look around at some of the new Jaguars on sale inside the showroom and the used car lot, the members made their way the Whitewebbs Museum, an old pumping station that has been turned into a museum of transport. The

museum has a number of floors where motor cycles, pedal cycles, a few cars, miniature toy cars

and various objet d' arts are displayed around the halls. Outside there is a fire station with old engines and a small garage premises with again a few odd cars. A place to visit for an hour at most. After the visit, 17 of the group went off to The Plough at Cuffley in Hertfordshire for a Sunday meal.

The meal was good and reasonably priced but at times the service was

Members cars at Whitewebbs

somewhat slow due to lack of staff!!! Cut backs continually effect service in all businesses. However, a good day was had by all.
