## ESSEX THAMESIDE REGION

ISSUE NUMBER 63 | JULY 2012

### CHAIRMAN'S MESSAGE

Hi All,

Well I'm back in the seat and well and truly rested. Can you imagine, on board the Oceana, go to bed, get up, go for breakfast, go to the sun deck, go to sleep, wake up for lunch, back to the sun lounge, back to sleep, go for dinner, then....you guessed it back to sleep. This was me from the beginning of the holiday. My batteries must

have been drained!!!! Anyway, we have a lot going on now. My thanks goes to John Euesden and David Redrup for organising the shows while I was away. We have the Maldon Show coming up on Sunday 1<sup>st</sup> July, Cressing Temple on 15<sup>th</sup> and a new one on the calendar on 22<sup>nd</sup> July at Anglia Ruskin University. See inside for details. Don't forget The Hare on the Roxwell Road in Chelmsford on the first Saturday of the month too. I am planning a quiz night again for our July meeting with a suitable prize. Please come along and join the fun. Finally, we are looking to reimburse those that paid for the Battlesbridge Show in May at the July club meeting. We are arranging to have cash available for those members who require re-imbursement. If you are **unable** to attend but require re-imbursement, please drop me an e-mail or call me and I will make alternative arrangements.

## OBITUARY

It is with great personal sadness that I have to report the death of one of our current members, Ken Morgan (75). Ken had been a member of our club since August 2003. He passed away on Friday

8<sup>th</sup> June 2012. His cremation took place on Wednesday 20<sup>th</sup> June at South Essex Crematorium at Upminster.

Ken was an enthusiastic member who regularly attended club meetings and drove a 2002 Jaguar X-Type 2.5SE. Last year, he also purchased a Jaguar XJR which he was very keen on. Ken has been suffering with cancer over recent months.

I will miss Ken as we often travelled together to the Jaguar factory at Castle Bromwich for seminars on the X-Type, as well as the NEC for the Classic Car Shows.

He always volunteered with his help in arranging the stands at various shows. He will be greatly missed.

## HAMSTREET - JUNE 2012.

With the recent history of unseasonal weather foremost in our minds, eight cars and their brave drivers and partners assembled early one Sunday morning at Thurrock Services prior to starting out for the Hamstreet County Show and a meeting with the Kent Region of the JEC. The weather did not disappoint as we were accompanied by a steady precipitation on our journey down. Things brightened up when we arrived, with the cold temperature offset by the warm welcome from the Kent Region members. In all, eight cars braved the elements to represent the Essex Thameside Region, including; XJ's new and older, XK's, XJ-S, 420 and SS100.

The well laid out joint stand (not drugs) was full of fine examples of the marque, with more modern machinery mixing with classic Mk II's and E Types. The Kent people certainly know how to have a good time with themed cup cakes on the menu to be washed down with a seemingly endless supply of Bucks Fizz being handed out by the flute load. One member said that this was nothing new and usually happened every night with each member taking it in turn to host! As well as looking through the craft stalls, people were able to see lawnmower racing and a fine selection of classic vehicles including a rare Edsel Estate and an immaculate early 50's Cadillac Coupe de Ville complementing the more traditional British fare from the likes of Austin, Vauxhall and Wolsey. A good time was had by all, despite the weather, and we would wish to thank the chaps and chapesses from the Kent Region for their kind hospitality. *Neil Shanley*

## ST. PETER'S CHURCH CAR SHOW JUNE 2012.

Just a few words to say that some of the club members went to the second St. Peter's Church Car Show, held at Redden School in Harold Wood on Saturday 16<sup>th</sup> June. In fact the turn out was quite good, for once the weather was kind to us, although a little windy. We all enjoyed it and also encouraged a visitor to join our club, thanks to Carrol Perryman. I must say it might be a small show, but it is run and organised well, the atmosphere and attendance was also good. I would recommend it for next year.

The woman sitting on the E-Type was the actual person who helped the launch in 1961. She mentioned she was a lot thinner in those days!!!!

*Jim Clark*
