## CHAIRMAN'S MESSAGE

Hi All,

The main news to let all members know is that the committee have decided to change the date of our annual dinner dance. In recent years, we have struggled to get the numbers needed to participate in our annual dinner dance. Two years ago, it snowed so bad that many people, quite rightly, left early in fear of getting snowed in at the venue. Also, it has been thought that, what with Christmas less than a month earlier, it may be hard on the pockets of some. Therefore, we have decided to re-arrange the dinner dance to November from now on. This will mean, of course, that we will be having two dinner dances this year, but it will settle down from next year to a once a year event. So please make a note in your diaries to be available for **Saturday 9 November 2013**. Please support our club by attending this event. If you haven't been before, there is no excuse now. Don't forget that you can book a room at the Hotel, part of the Golf Club, for as little as £67 for the room - not per person!

Inside this newsletter is Ken Paton's recent dinner dance prize, courtesy of Grange Motors, having a weekend's use of a brand new Jaguar XKR. Read his article inside. Also, we report on some small companies that have helped some members out recently, that may be of interest to others.

Don't forget the first "Breakfast Meet" is being held at The Hare in Roxwell on Saturday 6 April. The first event is always well attended, so get there early.

A few members are joining the Porsche Club of GB at Brooklands on 7 April to visit Mercedes World and Brooklands Museum. It is also the MG Era day so lots to see. A full report will be in next month's newsletter.

See you at the club night on Tuesday 2 April.

## SUNDAY LUNCH AT THE WHITE HART MARGARETTING TYE

On Sunday 17 March a number of members met up for a Sunday lunch at The White Hart at Margarettig Tye. We took over the conservatory with over 30 members and partners attending. The food was excellent and plentiful, although for some they would have preferred half the portions! It is a beautiful old pub with parts of it being some 250 years old, and with beautiful gardens front and back plus far reaching views across the fields, it is a superb destination to while away a few hours. It sits proudly on a green known locally as Tigers Island. The White Hart has a great reputation as a really good place to eat, with the emphasis on using only quality produce from well-respected local suppliers. Head Chef Ting Sayer has been at The White Hart for many years and together with her team provides outstanding traditional pub grub.

Our thanks go to Mary & Geoff for organising this event.

## A WINNING WEEKEND

I'd never won a raffle before. No really! The best I'd ever managed were those "and now for the last few tickets" prizes of a bag of fruity sweets, or a bottle of dubious wine. So when I won the star prize at the Essex Thameside JEC Dinner Dance raffle in aid of Macmillan Cancer Support, it was to be a "first" on many levels. My first raffle win brought me not only my very first drive of a brand spanking new Jaguar, but also my very first drive in a convertible, and most definitely my very first drive of a supercharged V8!

I was a tiny bit nervous collecting the car from Grange Jaguars of Brentwood on Saturday morning, but Mathew and his staff were very friendly and welcoming. There were a few small formalities, such as signing my immortal soul to them should I damage it, then after a short wait in their sumptuous showroom it was time to meet the car. Oh what a car! Black/maroon, huge wheels, aggressive "supercharged" logos, "R" badge, the works. Just time for a quick briefing and a photo then she was mine for the weekend!

At this point I would be happy to tell you about our nice leisurely drive in the countryside, and our wonderful night at Down Hall on a rare escape from the children. But I suspect you don't really want to hear about that.... I suspect you want to know what the car was like. Well, I admit I did have a "little play"....

Impressions? Well... ignore the specifications and performance figures and just try to imagine yourself sitting in your favourite armchair firmly tethered to a herd of angry buffalo. Then you touch the accelerator.... I believe modern parlance for this sort of thing is "OMG!". For those of us of slightly more mature years, it's like Captain Kirk giving the command "Warp factor 9 Mr. Sulu... but would you be kind enough to ask Mr. Mozart to conduct the buffalo please!" The sound track from this supercharged V8 is truly addictive. Then, of course, there's the handling which is equally epic. It doesn't so much "go round" corners as "sneer at them with disdain". And stopping power? Well that's something akin to meeting a brick wall padded with marshmallow.... it all adds up to a truly stunning machine.

My grateful thanks go to all at JEC Essex Thameside for organising this raffle, and at Grange Jaguar of Brentwood for their very kind donation of a spectacular first prize. I'm now off to write a letter to Santa...

Ken Paton

### GRANGE MOTORS - BRENTWOOD

*Grange Motors Service plan for your Jaguar.*

I have recently arranged a service plan with Grange Motors for the next three years. They are currently providing a three year plan with a 20% discount. You pay your first instalment up front to begin the plan, then 17 monthly payments of a set amount. It spreads the cost and make it more manageable. The costs depends on model and age and takes into account current service costs. Therefore, once set up, if there are increases in parts or labour, there will be no extra costs to you. Certainly worth considering!
