BEADLES LAND ROVER SOUTHEND

OFFICIAL LAUNCH EVENT | 6TH OCTOBER

Beadles
Part of the Barons Group

Bill Latimer, the Dealerships Head of Business, has invited members of the Jaguar Enthusiasts' Club, Essex Thameside Region, to join in their official launch on Saturday 6th October from 10am to 4pm. All classic and modern classic Jaguars are invited to put on a display for members of the public. There will of course be new and used Jaguars for sale and to view at the dealership should any member be considering a change or increase to their 'fleet'.

The parking area allocated for us will be on the left hand side of the dealership in a car park nearest the Jaguar showroom as shown in this picture.

All members wishing to attend, should contact Doug Warren by e-mail or phone and advise of your attendance and model displaying.

There is no time constraints, so visiting for a couple of hours or more will not be a problem, but bear in mind it will be an opportunity for potential Jaguar buyers to see what they are buying into with the enthusiasts in their area. It would be good to promote the club as well.

The Club's Cotswolds Weekend

On the weekend of the 7th to 10th September, 31 members of the Essex region took advantage of the trip organised by Scenic Car Tours to visit Bath, Cheddar Gorge, the Haynes Museum and the Cotswolds. The weekend started at the Marriott Hotel in Swindon. We all arrived at various times at the hotel on Friday afternoon. The customary drinks and chats took place in the bar area, although, the bar prices were a bit steep!! Less drink was therefore consumed! The included evening meal and complementary wine was well received. Arrangements were made for 10 members to visit the Haynes Museum on Saturday morning in convoy, while the majority of others went off to Bath

and enjoyed a tour bus trip around the city, as well as visiting various tourist points in Bath.

The group visiting the Haynes Museum took, what should have been a quick route to the museum, only to find it took us via Stonehenge and we were caught for 20 minutes or more in traffic, with other drivers "rubber necking" as they passed the stones.

Having visited this museum myself, some years previously, it was refreshing to see that a multi-million pound investment in the building had taken place. The entrance and foyer area had changed as well as defined parking at the front of the property. Inside the foyer, two American icons were on display, a 1960's Ford Mustang and a 1960's Dodge Charger. Entering into the display area, there were a number of interesting vehicles. Jaguar were represented by a 1951 XK120, a 1959 XK150, a couple of E-Types, a 1968 Mark II 2.4L, a 1939 SS Jaguar 3.5L, a 1957 Mark 8 and finally, a 1968 420G.

THE UK'S LEADING TOUR OPERATOR FOR THE DRIVING ENTHUSIAST

On Sunday the Group split up, due to the number of cars on the tour, visited a number of villages in and around the Cotswolds as suggested by Scenic Car Tours. A number of us had lunch at Bourton-on-the-Water. The village straddles the river Windrush with its

series of elegant low bridges besides neat tree-shaded greens and tidy stone banks. Standing back from the river are traditional Cotswolds buildings, many of which are now tourist shops for the day-trippers and visitors. Bourton-on-the-Water has been described as the 'Little Venice' of the Cotswolds and is one of the most popular tourist spots in the region being serviced by many shops, cafes and attractions,

including; Cotswold Motoring Museum & Toy Collection, a Model Village, Birdland Park & Gardens, Bourton Model Railway, Dragonfly Maze, as well as The Cotswolds Perfumery shop & factory.

Some of us also visited Burford, which is one of England's prettiest small medieval towns. Its church, St John the Baptist has been chosen as one of the top 20 churches in England.

As we drove around, we were surprised to find that we visited 5 counties; Wiltshire, Hampshire, Gloucestershire, Worcestershire, Oxfordshire, all in a day! Sounds a busy day, but in fact, all these counties seem to overlap each other, depending where you are.

Everyone had a great time visiting the Cotswolds and although we were not able to stop at all villages this time and take in the views, history and buildings, it allows for the return to these places on another trip.

NEW HALL WINE FESTIVAL

On Sunday 2nd September members displayed their Jaguar cars at the annual wine festival at New Hall Vineyard. The event featured, wine tasting, discount wine sale, handmade crafts stalls, food stalls and entertainment in the form of performers, dance and music throughout the day. In addition there were children's crafts area, face painting, bouncy castle, dog agility displays and fun rides, winery and vineyard tours, as well as the display of Jaguars on the entrance road to the site.

The member's cars looked impressive as the general public drove into the grounds of New Hall Vineyard, passing the display before parking up in the allocated car park at the rear of the vineyard. The whole day was blessed with wonderful sunshine and good company.

What can I say. I was resigned to getting my car re-sprayed as the paintwork was well, tired to say the least. But Mario convinced me he could rejuvenate it. I'll admit I had reservations but boy, did these guys do a fantastic job! If you flick through the posts you'll see my red Capri. What a transformation. I cannot recommend these guys highly enough! The time they have taken into getting me to love my car again is phenomenal! Thank you so much!
